**LEADERSHIP IS A CHOICE.**  
It happens when someone steps up and causes a change to happen.  
It happens when someone enrolls other people to help them make that change.

## 7 Mandates of Leadership

The course is built around 7 surprising leadership mandates that challenge conventional wisdom. Through interactive presentations, exercises and reflection sessions, Sohail will introduce you to ideas that will help you lead people to dance on the edge of possibility. You'll learn why authority is different than responsibility, why future change makers need to master leadership rather than management, and why new types of work demand new types of leadership.

### WHO SHOULD ATTEND?

This program is designed for mid to senior-level managers seeking a more inspiring way of thinking about their role and the potential impact they can have in their organization and in society.

### THIS PROGRAM WILL HELP YOU:

- What the leadership choice is capable of accomplishing, what it means, and how to get there.
- Distinguish between leaders and manager's (in a way that makes sense)
- How to inspire high performance
- Why nurture is not the same as butcher and how to make development a voluntary process
- Demystifying collaboration obstacles
- Making change happen, and embracing change as the way of work
- How leadership becomes part of culture

### WHAT YOU WILL LEARN?

- Fundamentals: Leadership is Not Management
- **Mandate 1:** Responsibility, Not Authority
- **Mandate 2:** Selling the Dream
- **Mandate 3:** Solving Interesting Problems
- **Mandate 4:** Making Change Happen
- **Mandate 5:** Practical Empathy
