

# Boss To Coach

with **Zuhaib Shaikh**

June 11, 2024 | Karachi | PKR 30,000 + SST

## Program Overview

Are you ready to elevate your leadership skills to the next level? Join us for an immersive one-day workshop designed to transform managers into inspiring coaches. In today's dynamic business landscape, coaching has emerged as the cornerstone of effective leadership. Don't miss this opportunity to unlock your full potential and empower your team to greatness!

### Key Benefits:

- Gain practical insights and strategies to transition seamlessly from a manager to an inspiring coach.
- Learn how to leverage coaching techniques to drive employee engagement, performance, and innovation.
- Develop essential coaching skills, including active listening, powerful questioning, and goal setting.
- Participate in interactive simulations and gamified activities to reinforce learning in a fun and engaging way.
- Network with like-minded professionals and exchange ideas for leadership success.
- Walk away with actionable plans to apply coaching principles in your daily interactions and elevate your leadership effectiveness.

### Who Should Attend this Workshop:

- Managers seeking to enhance their leadership capabilities.
- Team leaders aiming to foster a culture of growth and development.
- Professionals aspiring to transition from traditional management to coaching leadership.
- Anyone interested in mastering the art of effective communication and collaboration.

## Learning Journey:

- **Module 1: Understanding the Importance of Coaching in Leadership Today**
  - Engage in a gamified challenge to explore the changing needs of people and workplaces, and the impact of coaching firsthand.
- **Module 2: Making the Transition from Manager to Coach**
  - Participate in coaching role-play Olympics and practice the tools and skills to make the leap from traditional management approaches to empowerment through coaching.
- **Module 3: The Inner Transition to Becoming a Coach**
  - Take the adventure of a journey inward to explore the inner dimensions of coaching and the shift in beliefs and behaviors needed to arrive into spaces and conversations as an effective coach.
- **Module 4: Exploring the Coaching Journey**
  - Embark on a simulated coaching expedition to navigate real-world coaching scenarios and challenges.
- **Module 5: Using the GROW Model to Become an Awesome Coach**
  - Compete in the GROW model race to solve coaching challenges and master the GROW model for goal-oriented coaching conversations.
