Business Communication Toolkit

It's proven that effective communication is the backbone to a thriving and flourishing individual, team, function, and an organization. This day-long, highly interactive activity-based, workshop will enable participants to learn how to speak so people listen and listen, so people feel heard and understood.

WHO SHOULD ATTEND?

This program is designed for front-line managers having trouble getting people to act and individuals wanting to have a professional presence, express themselves in a more engaging way and overcome language barrier.

THIS PROGRAM WILL HELP YOU:

- Appear confident and grounded
- Acknowledge everyone's presence and respond accordingly
- Convey ideas and feelings clearly
- Present ideas in logical order
- Understand and appreciate varying perspectives
- Learn to say when and how to say 'No'
- Resolve conflict and get people to act
- Have your audience hooked to listening to you
- Make people feel seen and heard using listening skills
- Give and receive feedback effectively

WHAT YOU WILL LEARN?

- The power of self-awareness and the importance of perception
- The 3 Vs of communication - Vocal, Verbal, Visual
- Effective listening and building rapport
- Flexing your style to influence others
- Creating impactful messages for all communication methods
- Identifying critical elements of exceptional presentations
- Exhibiting confidence and competence in applying skills and techniques of effective business communication
